Words of Encouragement

“Heaven is the palace, or presence-chamber, of the Supreme Being who is both the cause and source of all holy love. God, indeed, with respect to His essence is everywhere. He fills heaven and earth. But yet He is said on some accounts more especially to be in some places rather than others. He was said of old to dwell in the land of Israel above all other lands, and in Jerusalem above all other cities in that land, and in the temple above all other houses in that city, and in the holy of holies above all other apartments in that temple, and on the mercy seat over the ark above all other places in the holy of holies. But heaven is His dwelling place above all other places in the universe.”

- Jonathan Edwards

Pray for the Unreached

Ouargla People in Algeria

Population: 24,000 | Primary religion: Islam | Percent Evangelical Christian: 0.02%

Pray that the churches would be led by faith to bless those around them with the fragrance of Christ. Pray that the believers would feel fulfilled and that they would spread the word to others close to them. Pray for the Lord to move among the Ouargla in such a way that they spread Christ's ways of peace and mercy to other Berber tribes. Pray for a movement among the Ouargla this decade that will spread to other peoples in Algeria.
