Words of Encouragement

“We ought carefully and with the utmost seriousness and consideration attend the sacrament of the Lord’s Supper: this was appointed for this end, to draw forth longings of our souls toward Jesus Christ. Here are the glorious objects of spiritual desire by visible signs represented to our view. We have Christ evidently set forth crucified... Here we have that spiritual meat and drink represented and offered to excite our hunger and thirst; here we have all that spiritual feast represented which God has provided for poor souls; and here we may hope in some measure to have our longing souls satisfied in this world by the gracious communications of the Spirit of God.”

-Jonathan Edwards
