Words of Encouragement

“Spiritual knowledge of Christ will be a personal knowledge. I cannot know Jesus through another person’s acquaintance with Him. No, I must know Him myself. It will be an affectionate knowledge of Him; indeed, if I know Him at all, I must love Him. It will be a satisfying knowledge. When I know my Savior, my mind will be full to the brim – I shall feel that I have that which my spirit panted after. It will be an exciting knowledge; the more I know of my Beloved, the more I shall want to know. The higher I climb the loftier will be the summits which invite my eager footsteps. I shall want the more as I get the more. Like the miser’s treasure, my gold will make me covet more.”

-C.H. Spurgeon

Pray for the Unreached

Jat Kharral People in Pakistan

Population: 1,240,000 | Primary religion: Islam | Percent Evangelical Christian: 0.00%

Gospel materials are available in their language. Pray they would view and download these. Ask the Lord of the harvest to send out additional laborers to work among the Kharral Jats. Pray that Christian doctors, nurses and humanitarian aid workers would have opportunities to share the love of Jesus with the Kharral Jats. Ask God to save key Jat leaders who will boldly proclaim the gospel to their own people. Pray that churches and mission organizations would accept the challenge of adopting and reaching the Kharral Jats.

Scripture Reading

Consider reading Revelation 20 in preparation for this week’s sermon.

Prayer Requests

- Please pray for Michelle Mason who is going to Winston Salem to see a specialist for her foot. Please pray for relief and safe travels.
- Meghan Larose - A friend of mine, Stacy, will see a vascular surgeon this week and is waiting on his opinion.
- Meghan LaRose - Please pray for another friend who lost her niece suddenly. They are not believers. Please pray for the family.
- UPDATE: Please pray for Ed Snipes who had an appointment with the neurologist today. At this time, the doctor believes the episodes to be seizures and have placed Ed on medication. If the medication does not help, they will try other treatments. Please continue to pray for Ed and the Snipes family.
- Anne Bond - Please pray for my daughter-in-law, Molly, who had surgery to relieve symptoms of cervical spinal stenosis. The surgery went really well, praise the Lord! Her headaches and numbness on her fingers are already gone. Swallowing has been difficult, but should improve as the swelling goes down. Please pray for a speedy recovery without complications.
- UPDATE: Breanna Peterson - Please pray for my friend Mary Katherine’s baby who is showing signs of trisomy 18. They found out that the baby is a girl. Mary Katherine has an appointment this week. Please pray for no cysts on the baby’s brain. Also, please pray for growth of the baby’s heart to be able to function with a normal sized body.
- Please pray for Metta Bauman’s father. He continues to be in Hospice care.
- UPDATE: Breanna Peterson - Praise the Lord Most High. My friend’s husband, Justin Wong, who was recently diagnosed with mesothelioma, had surgery to remove the cancer. After the surgeons went in for surgery, they discovered that the cancer was localized and were able to remove all of it. There is no chemo required at this time. Thank you for your prayers.
